## May 13 Second Sunday offering to support Michael Joseph, Global Ministries Mission Co-worker to Colombia

Global Ministries is a joint ministry of the United Church of Christ and the Disciples of Christ. The partnership started 50 years ago, with the establishment of a joint Southern Asian office with shared staff. Since 1996, the Common Global Ministries Board has overseen the ministry, co-managed by both denominations and missionaries throughout the world. (Go to [www.globalministries.org](http://www.globalministries.org) for more info.)

In his current appointment, Michael Joseph is helping start a new Peace Studies Center at the Baptist University and Seminary of Cali, a joint venture between the university and three other faith-based non-profits. You can help build a just and lasting peace by supporting the Second Sunday offering on May 13. Please give generously.
